Hello, good morning.

The second meeting is scheduled for January 18 at 6:00 pm via Teams, and this will be shared in the coming weeks. Please note however, that there is no Executive on a Parent Advisory, so **there will be no election.**

Thanks,

**Roné Boyko**

Hello Mme Boyko,

I am following up to the **October 5, 2023** École Ness Parent meeting where we established a Parent Advisory Council (PAC) and adjourned.

When do you plan to announce the date of the second meeting to complete the next step of **electing the Executive** for our **PAC**?

Thanks,

Good morning Ms Moffatt (superintendent),

I want to inform you that the principle at Ness middle school, Mme **Roné Boyko**, is not allowing for parent representation by electing an executive to our Parent Advisory Council (PAC) formed on **Oct 5, 2023** as I requested below. As you know, the election of an Executive for the PAC is required. I am concerned that not having an Executive on PAC leads to **several shortfalls for the students**.

I am asking for your assistance in this matter. Specifically, can you please correct this by announcing a PAC meeting to elect the appropriate representatives **ASAP** and advertise it appropriately on the schools outdoor board, through the email system, and in the local newspaper.

The longer this takes, the longer the students will be without parent representation which is not in their best interests.

If there is anything I can do to expedite this matter or if you have any questions or need clarification, please let me know and I will make available. Please note that this is not only important to me, but **to other parents as well**; we want to see the **proper process implemented** and I trust that you do as well.

Thank you in advance for your prompt attention to this matter.

Respectfully,

**Pierre N. Attallah B.Sc.**
